

## NOTICE TO CONTRACTORS

Sealed proposals will be received at the Office of the Deputy Director, Alameda County Congestion Management Agency (ACCMA), 1333 Broadway, Suite 220, Oakland, California, until **2:00 p.m. on December 15, 2005** at the ACCMA office, at which time they will be publicly opened and read in the ACCMA Board Room, Oakland, CA for construction in accordance with the Project Plans and Special Provisions to which special reference is made, as follows:

**Title:** UPTOWN TRANSIT CENTER PROJECT  
**Project No:** 06-05

**Project Description:** The work consists, in general, of demolition and construction of curb, gutter, sidewalk, portland cement concrete paving, and asphalt concrete paving; street lighting system and storm drain modifications; electrical and communications work for new bus shelters; traffic control; traffic striping; and other work as shown on the Plans and specified in these special provisions. The Plans include work along 20th Street between Telegraph Avenue and Broadway, in the City of Oakland, including the intersections of 20th Street with both Telegraph Avenue and Broadway.

This project is a cooperative effort between the City of Oakland, Alameda County Congestion Management Agency, and AC Transit. A Cooperative Agreement is executed between the Alameda County Congestion Management Agency and the City of Oakland.

The Contractor shall follow all local agency requirements and coordinate with the local agencies throughout the duration of the contract.

- This project has a goal of **nineteen (19) percent** for disadvantaged business enterprises (DBE).
- It is expected that the Notice to Proceed will be issued no later than January 6, 2006. The Contractor shall begin work within 10 calendar days of the NTP and diligently prosecute said work and complete all construction work within 90 working days following NTP.
- The Contractor will be paid a sum of \$5,000 per working day as an incentive for completion of all construction work prior to the expiration of the 90 working days, with a maximum of incentive payment of \$100,000. The project will also be subject to liquidated damages as specified in the Special Provision.
- At the time this contract is awarded, the Contractor shall possess a **Class A** license.

A bid submitted by any Contractor who is not licensed to engage in business or act in the capacity of a Contractor shall be considered nonresponsive and shall be rejected, except for those exceptions that are governed by Section 7028.15 of the Business and Profession Code.

The Alameda County Congestion Management Agency (ACCMA) hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation.

Bidders will not be discriminated against on the grounds of race, color, religion, sex, national origin, ancestry, place of birth, sexual orientation, age or disability in consideration for an award.

Each bid must be accompanied by certified or cashier's check, or bidder's bond duly executed by a responsible corporate surety authorized to issue such bonds in the State of California, made payable to the ACCMA for an amount equal to at least ten (10) percent of the amount bid. The successful bidder shall furnish a Labor and Materials Bond and a Faithful Performance Bond. Attention is directed to the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the prevailing wage rate.

Attention is directed to the Federal minimum wage rate requirements included in these specifications. If there is a difference between the minimum wage rates predetermined by the United States Secretary of Labor and the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the higher wage rate. The Department will not accept lower State wage rates not specifically included in the Federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the Federal wage determinations. Where Federal wage determinations do not contain the State wage rate determination otherwise available for use by the Contractor and subcontractors, the Contractor and subcontractors shall pay not less than the Federal minimum wage rate which most closely approximates the duties of the employees in question.

Pursuant to Section 1770 of the Labor Code, the California Director of the Department of Industrial Relations has ascertained the general prevailing rate of per diem wages applicable to the work to be performed, which rates are filed in the office of the Deputy Director, and copies of which are available to any interested parties on request.

This project is subject to the "Buy America" provisions of the Surface Transportation Assistance Act of 1982 as amended by the Intermodal Surface Transportation Efficiency Act of 1991.

The Contractor may elect to receive 100% of payments due under the contract from time to time, without retention of any portion of the payment by the ACCMA, by depositing securities of equivalent value with the ACCMA in accordance with the provisions of Section 4590 of the Government Code. All expenses of such substitute deposit shall be borne by the Contractor. Securities eligible for investment under the section shall include those listed in Section 16430 of the California Government Code or certificates of deposit of a bank or savings and loan association. The Contractor shall be the beneficial owner of any securities substituted for moneys withheld and shall receive any interest thereon. Such securities, if deposited by the Contractor, shall be valued by the ACCMA, whose decision on valuation of the securities shall be final.
